

## “The Old Farm Pond”

Sponsored by: Marengo Society for Historic Preservation

Artist: “Woody” Woodruff

Interpretation: I wanted to create a rural theme of Marengo in the 50’s and 60’s..... “The Old Farm Pond” was born. I hope you enjoy.

Artist Bio: I have lived in Marengo all my life. I have taken a few art classes at McHenry County College since I retired. I have enjoyed drawing since I was a kid but just started painting.
